With 10 Tony® nominations including Best Musical, Something Rotten! is a “big, fat hit!” (New York Post). Set in the ’90s – the 1590s – this hilarious smash tells the story of Nick and Nigel Bottom, two brothers who are desperate to write their own hit play while the “rock star” Shakespeare keeps getting all the hits. When a local soothsayer foretells that the future of theatre involves singing, dancing and acting at the same time, Nick and Nigel set out to write the world’s very first MUSICAL! With its heart on its ruffled sleeve and sequins in its soul, Something Rotten! is “The Producers + Spamalot + The Book of Mormon. Squared!” (New York Magazine).

You are invited to participate in a research study conducted by Stephanie Beatty, a doctoral student at Walden University. The purpose of this research is to understand if aspects of Deaf culture that nurture learning are included in the educational experiences of Deaf people. The screening questionnaire for inviting participants takes approximately 10 minutes and can be found at https://www.surveymonkey.com/r/662F6GT. If invited to participate, the interview will take 45-90 minutes.

Information is confidential and no identifying information will be requested. You will be asked to provide a working email address at the end of the questionnaire and will be contacted if you are eligible to participate.

Questions? Contact Stephanie at stephanie.beatty@waldenu.edu

MENTAL HEALTH SERVICES AVAILABLE THROUGH THE VP - FREE!

We are pleased to announce a new partnership between DEAF C.A.N.! and Michigan Medicine (formerly University of Michigan Health System), with assistance from the State of Michigan Department of Health and Human Services, to begin offering mental health services on videophone. All services will be provided in ASL by Deaf therapist (counselor), Dylan Secord, LLMSW, and ASL fluent therapist, Leslie Pertz, LMSW, NIC, both clinical social workers. The therapists will be able to see Deaf, DeafBlind, and Hard of Hearing clients from anywhere in Michigan, from New Buffalo to Alpena, and from Monroe to Copper Harbor.

The therapists will be available to help clients manage mild to moderate mental health concerns such as anxiety, depression/post-partum depression, marriage/relationship/family concerns, grief, stress, and managing chronic pain and chronic health problems. Drs. Zazove and McKee will serve as consultants to this project, but the therapists will help clients manage their mental health in coordination with a client’s local doctor. If the therapists or the clients feels that videophone therapy is not the best fit for their needs, the therapists will help to find what services in the client’s local community may work better. The therapists also continue to be available to see people in-person in their individual clinics.

If you would like more information about this program, please contact us to discuss your needs. deafhealth@med.umich.edu or call 810-355-2743.
