MENTAL HEALTH SERVICES AVAILABLE THROUGH THE VP - FREE!

Leslie Pertz

We are pleased to announce a new partnership between DEAF C.A.N.! and Michigan Medicine (formerly University of Michigan Health System), with assistance from the State of Michigan Department of Health and Human Services, to begin offering mental health services on videophone. All services will be provided in ASL by Deaf therapist (counselor), Dylan Secord, LLMSW, and ASL fluent therapist, Leslie Pertz, LMSW, NIC, both clinical social workers. The therapists will be able to see Deaf, DeafBlind, and Hard of Hearing clients from anywhere in Michigan, from New Buffalo to Alpena, and from Monroe to Copper Harbor.

The therapists will be available to help clients manage mild to moderate mental health concerns such as anxiety, depression/post-partum depression, marriage/relationship/family concerns, grief, stress, and managing chronic pain and chronic health problems. Drs. Zazove and McKee will serve as consultants to this project, but the therapists will help clients manage their mental health in coordination with a client's local doctor. If the therapists or the clients feels that videophone therapy is not the best fit for their needs, the therapists will help to find what services in the client's local community may work better. The therapists also continue to be available to see people in-person in their individual clinics.

An Open Invitation from Detroit Black Deaf Advocates (DBDA).

DBDA is hosting a workshop and dinner October 13-14th. The title of the workshop is on Deaf Persons' Access to Justice. This is an issue that impacts deaf people of all races. It is an issue that interpreters and other helping professionals can help or hinder the process.

We must acknowledge the interpreting field is overwhelmingly white and female, while justice often is imbalanced toward deaf people and particularly deaf people of color.

Folks have complained about the lack of available opportunities to obtain quality CEUs here in Michigan. CEUs have been requested through Madonna University. We are not seeing white interpreters sign up for these workshops. That feature TWO prominent speakers. Both of whom are attorneys and highly regarded in their fields.

This is an open invitation for people of all races and hearing ability to attend these workshops and dinner events. Our country is being torn by ableism, racism, sexism and xenophobia. Let's not let these divisive forces win. Come join us for this event.
